

SYMPOSIUM

# Pressure Ulcer Prevention Protocols are straight forward, Implementation is not

Date:  
May 2<sup>nd</sup>,  
10:00–11:00 GMT

Room:  
Platinum 1-2,  
Level 3

## Synopsis:

We hear you. We all want to protect patients against pressure ulcers, but there are a lot of challenges. Some of these challenges are clinical, but some are more about leadership and change management. If you want to learn how international KOLs drive change in their organisations and countries and hear about successful PUP protocol implementation, this session is the one to attend.
