

Whatever happens...

You can always count on Mepore® range

No matter what life
throws your way,
Mepore can help

Life is full of surprises.
Thankfully Mepore dressings
aren't. The world's first
self-adhesive dressing is
as good as it's always been:
comfortable, easy-to-use
and with all the features
you would expect from a
quality range of wound care
products. When you reach for
a dressing, count on Mepore.

Because life is unpredictable
enough as it is.

Mepore®

The self-adhesive absorbent dressing

- ✓ Soft, elastic, non-woven material with high breathability
- ✓ Water based, skin-friendly adhesion
- ✓ Low-adherent wound contact layer with effective absorption
- ✓ Easy-to-remove protection paper simplifies application

Application:

For treating low to moderately exuding wounds, such as surgical incisions, cuts and abrasions.

Mepore® Pro

The shower-proof, self-adhesive absorbent dressing

- ✓ Optimised adhesive secures whilst minimising discomfort at removal
- ✓ Shower-proof
- ✓ Low-adherent wound contact layer with effective absorption
- ✓ Easy-to-remove protection paper for convenient application
- ✓ Neutral-toned backing provides a discreet dressing solution

Application:

Shower-proof dressing for treating low to moderately exuding wounds, such as surgical incisions, cuts and incisions.

Mepore® Film

The breathable, transparent self-adhesive film dressing

- ✓ Skin-friendly adhesive for secure fixation and patient comfort at removal
- ✓ Highly breathable transparent film
- ✓ Support frame and removal paper optimised for ease of application
- ✓ Protects against leakage
- ✓ Conforms well to body contours

Application:

Mepore Film can also be used for fixation of medical devices, such as wound dressings, tubes and cannulas.

Mepore® Film&Pad

The breathable, transparent self-adhesive absorbent film dressing

- ✓ Combines flexible film with low-adherent wound contact layer with effective absorption
- ✓ Breathable, shower-proof
- ✓ Transparency allows undisturbed monitoring of healing progress
- ✓ Optimised adhesive secures the dressing whilst minimising discomfort at removal

Application:

Mepore Film & Pad is intended for use on low to moderately exuding wounds, such as surgical wounds, cuts and abrasions.
